

DO IT NOW Tune: Bella Ciao New words by Sing for the Climate

Cm (Am, capo 3)

We need to wake up,

We need to wise up,

We need to open our eyes and do it now, now, now!

Fm (Dm) Cm (Am)

We need to build a better future,

G (E) Cm (Am)

And we need to start right now!

We're on a planet
That has a problem,
We've got to solve it, get involved
And do it now, now, now, now!
We need to build a better future,
And we need to start right now!

Make it greener,
Make it cleaner,
Make it last, make it fast, and do it now, now, now, now!
We need to build a better future,
And we need to start right now!

No point in waiting,
Or hesitating,
We must get wise, take no more lies
And do it now, now, now, now!
We need to build a better future
And we need to start right now!
