

Don't Pass That Bill

(Tune: "Don't Mess With Bill" by the Marvellettes)

Don't pass that bill, no-n-no-no, don't pass that bill,
Donald Trump says we stole the election from him, and his followers are buyin' that line,
So his lackeys in the State Legislature want to stop us from voting next time.
Hear what we say-ay, throw it away-ay-ay, uh-uh-huh,
Don't pass that bill, no-n-no-no, don't pass that bill,
'Cause that bill is unjust (don't pass that bill)
And defeat it we must (don't pass that bill).

Their policies are unpopular, and they're in the minority,
Instead of learning their lesson, now, voter suppression has become their priority.
Hear what we say-ay, throw it away-ay-ay, uh-uh-huh,
Don't pass that bill, no-n-no-no, don't pass that bill,
It's a horrible bill (don't pass that bill)
It deserves to be killed (don't pass that bill)

They're doin' their best to turn back the clock to the bad old days of Jim Crow,
When voting rights were reserved to whites, well, it's time for us to say "Hell, no!"
Hear what we say-ay, throw it away-ay-ay, uh-uh-huh,
Don't pass that bill, no-n-no-no, don't pass that bill,
'Cause that bill is unfair (don't pass that bill),
We got a right to be scared (don't pass that bill).

We fought long and hard to win the right to vote and we won't let them take it away.
But we'd be making progress if the US Congress would pass HR 1 today.
Hear what we say-ay, pass it today, uh-uh-huh,
Let's pass that bill, pass it today, let's pass that bill,
Pass HR 1, (let's pass that bill)
Time to get it done (let's pass that bill).
It'll block the bad bills (pass HR 1)
That deserve to be killed (pass HR 1).
'Cause those bills are a unjust (pass HR 1).
And block them we must (pass HR 1).
'Cause those bills are a crime (pass HR 1).
Say it one more time (pass HR 1)
LET'S PASS IT! PASS HR 1 TODAY!
