Tune: "Mansion on the Hill" by Hank Williams

**The minimum wage needs increasing.
It's long overdue for a raise,
But the Senator from West Virginia
Is stubbornly blocking the way.**

**We could raise it to fifteen an hour,
As part of the big budget bill,
But we need fifty Democrats to pass it,
So call Joe Manchin on the Hill!**

**Republicans will not support us,
Despite all our lobbying skill,
We've got zero margin for error,
So call Joe Manchin on the Hill.**

**We've waited so long for this moment.
Next year we could be waiting still.
So pick up your phone right this minute,
And call Joe Manchin on the Hill.**

**You can reach him in his Senate office,
Right up there on Capitol Hill,
We need him to hear from working people,
So call Joe Manchin on the Hill.
202-224-3954,
Just call Joe Manchin on the Hill.**
