

In the Midnight Hour

Words by Paul McKenna, © 2025, Tune: “In The Midnight Hour” by Wilson Pickett

**We can't wait till the midnight hour to deal with climate change.
We can't wait till the midnight hour and pretend things'll stay the same.
We've got to act on the double or we will be in trouble in the midnight hour.
Hey Trump, better listen up.**

**You see, the time is running out and the clock is ticking fast.
We can't wait till the midnight hour to stop using oil and gas.
We got to end our dependence for the sake of our descendants in the midnight hour.
Hey Trump, better wisen up.**

**We can't wait till the midnight hour to phase out fossil fuels.
If we wait till the midnight hour, we will meet the fate of fools.
The future is encroaching and disaster is approaching in the midnight hour.
Hey, Trump, better listen up.
Hey Mr. Trump, better wisen up.
Hey, Trump, better listen up.
Hey Mr. Trump, better wisen up.**
