

Stand with Us

Tune: "Stand By Me" by Ben E. King

**When the rich control all the country's wealth
And our leaders are servants to their needs
Then the time has come for the working folks
To stand up and fight back in unity.**

**CHORUS: So brothers, sisters, stand with us
Oh-oh stand with us,
Stand up for a nation that is just.**

**Now the Governor and his well-heeled friends
Have declared war on Wisconsin's working class.
And if we sit back and let them have their way,
Then our downfall will surely come to pass.**

CHORUS

**If the middle class in America
Like a mountain should crumble to the sea,
Tell me who will remain to keep our country strong
And to fuel our nation's economy?**

CHORUS
