Tune: “Sweet Child O’ Mine” by Guns ‘N’ Roses

**Up in Alaska by the Bristol Bay,
Where the salmon spawn and the caribou play,
There’s a special place like nothin’ else on the globe,
But an evil corporation has a plan in mind
To dig a giant open-pit copper mine,
And it’s up to all of us to rise up and to tell them no.**

**Stop that Pebble Mine!
Block that Pebble Mine!**

**The Pebble Mine will destroy this place,
Dumpin’ ten billion tons of their toxic waste
Into the pristine waters that are home to the salmon runs.
It’ll poison the rivers and the fisheries,
And devastate indigenous communities,
So the time has come for all of us to join as one.**

**To stop that Pebble Mine!
Block that Pebble Mine!
Stop that Pebble Mine!
Block that Pebble Mine!**

We gotta say no now, we gotta say no now, we gotta say no now. No! No! (x4)

**Stop that Pebble Mine! We got to stop it! We got to stop it!
Block that Pebble Mine! We got to block it! We got to block it!
Stop that Pebble Mine! We got to stop it! We got to stop it!
Block that Pebble Mine! We got to block it! We got to block it!
Stop that Pebble Mine!**
