

# **Take Me Out of the Big Banks**

(Take Me Out to the Ball Game)

Betsy Rose and Nancy Schimmel

**Take me out of the big banks  
Take me out of their game  
The credit union can have my dough  
I'll cut up my credit cards, pay as I go  
And it's root root root for the small banks  
We'll give them our business and thanks  
And it's 1, 2, 3 million more and we'll close big banks**

**Take me out of the big banks  
Citibank for a start  
They put our money in pipes for oil  
That leak in the water and poison the soil and its  
Root, root root for the people  
Standing up to their claim,  
And it's 1, 2, 3, put them out  
It's a new ball game!**
