(Tune: “My Babe” by Little Walter)

Union means strength in unity, union, union.

Union means strength in unity, union, union.

Union means strength in unity, working people in community.

Union means strength in unity, union, union.

Union means solidarity, union, union.

Union means solidarity, union, union.

Union means solidarity, standin’ up, not askin’ for charity.

Union means solidarity, union, union.

Union means job security, union, union.

Union means job security, union, union.

Union means job security, recognition for seniority.

Union means job security, union, union.

Union means a decent livin’, union, union.

Union means a decent livin’, union, union.

Union means a decent livin’. Keep on fightin, never give in.

Union means a decent livin’, union, union.

Union means justice and equity, union, union.

Union means justice and equity, union, union.

Union means justice and equity, respect and dignity.

Union means justice and equity, union, union.

Union means working together, union, union.

Union means working together, union, union.

Union means working together to change this world for the better.

Union means working together, union, union.

Union, union, union, union,

Union, union, union, union.
