Tune: "I Won't Grow Up" from "Peter Pan"

**I won't give up (I won't give up)
Or acknowledge that I lost (or acknowledge that I lost).
I don't care about the damage (I don't care about the damage).
I don't care about the cost (I don't care about the cost).
If giving up means asking me
To show a smidgen of maturity
I'll never give up, never grow up, never give up. Not me!**

**I won't concede (I won't concede).
The election was a sham (the election was a sham).
Mail-in ballots are illegal (mail-on ballots are illegal)
And a Democratic scam (and a Democratic scam).
If it means acting decently
Or with a modicum of dignity
I'll never give up, never grow up, never give up. Not me!**

**Never will admit defeat, I won't!
Never will initiate transition.
Stalling and obstructing is my mission,
Joe can go to Hell, Kamala as well!**

**I won't step down (I won't step down),
For another twenty years (for another twenty years).
I'll be president forever (I'll be president forever)
Like my buddy Vladimir (like my buddy Vladimir).
If stepping down requires me
To do what's best for our democracy,
I'll never step down, never step down,
I'll never grow up, never grow up,
I'll never give up, never give up,
Never give up, not me! No sir! So there!**
