**(Tune: "I Won't Back Down" by Tom Petty)**

**No we won't turn back, no we won't turn back.  
You can try to take our rights away, but we won't turn back.  
No, we won't turn back.**

**This is my bo-dy. It belongs to me,  
And I won't give away my autonomy,  
So accept this fact, we will not turn back.**

**CHORUS: Hey Clarence, Brett, Neil, Amy and Sam,  
We will  
Not turn back, no we won't turn back.**

**It is not your role to exert control  
Over how I choose to conduct my life,  
So accept this fact.  
We will not turn back.  
No we won't turn back. CHORUS**
